

Position Description

Mental Health Clinician

Location	headspace Gladstone/headspace Rockhampton
Department	headspace
Classification	SACS Award, Level 5
Salary	To be negotiated
Hours	Full Time
Term	Permanent Contract
Direct Employer	Roseberry Qld

POSITION SUMMARY

The objective of the headspace program is to provide eligible clients with evidence based short-term psychological strategies within a primary care setting.

In line with organisational objectives, the Mental Health Clinician will:

- Provide clinical services to adolescents and specific target client groups within a multidisciplinary team environment.
- Promote and utilise evidence-based clinical interventions, participate in clinical reviews and demonstrate good clinical decision-making process regarding the care provided to clients.
- Provide short term focused psychological therapies in line with best practice and evidence-based research.
- Provide alcohol and other drug screening, assessment and intervention.

KEY RESPONSIBILITIES

The position of Mental Health Clinician is responsible for addressing client mental health needs as well as geographical needs of the Gladstone and Rockhampton area.

- Provide clinical services in accordance with the Guidelines and utilising evidence-based practice
- Participation in clinical case review meetings, supervision and multi-disciplinary team meetings to ensure appropriate clinical service pathway and service delivery
- Provision of peer support and mentoring to colleagues and students working within the Service

Position Description – Mental Health Clinician – headspace Gladstone/Rockhampton

- Utilising and maintaining linkages with government and non-government stakeholders at the community level (including those outside of the clinical mental health system) to enhance service provision for the client and family
- Applying the principles of family inclusive practice and involving clients in their own care through practice tools and resources
- Demonstrate familiarity with ethical standards and show clinical awareness of available support in areas such as forensic and legal topics, mandatory reporting of abuse, confidentiality, managing risk (e.g. managing aggressive clients), safety issues and the underpinning legislative requirements in Queensland
- Promote and participate in the ongoing planning, development, review and maintenance of Clinical Governance Standards and RQ Policies and Procedures ensuring a commitment to quality and safety standards
- Maintain case records, in the agreed format and within expected timeframes that clearly document activities undertaken and ensure all documentation is comprehensive, factual and complies with relevant legislation, professional guidelines and organisational policies.
